### Product description

This high-quality 19-inch Turbo I wheel for the Porsche Boxster model 987 is an original replacement part with the OEM number 99736215808. The wheel has a width of 9.5J and an offset (ET) of 46, which ensures an optimal fit and excellent driving performance. The rim is finished in a dark titanium colour (colour code OC6), which gives your vehicle a stylish and sporty look. The rim is suitable for both the left and right sides of the vehicle and is specially designed for mounting on the rear of the vehicle. This product is new and unused, which means that it has no damage or signs of wear. As an original Porsche part, it not only guarantees a perfect fit, but also compliance with Porsche's high quality standards, ensuring the longevity and reliability of the product.

The combination of excellent workmanship, originality and attractive design makes this wheel an excellent choice for vehicle owners who value quality and aesthetics. Ideal for enthusiasts who want to equip their vehicle with authentic, high-quality components.
