Product description

A design object with performance aspirations – inspired by the Le Mans victory of the Porsche 917 KH Salzburg in 1970. The casing features the striking Red Salzburg design with original Porsche lettering and the iconic number 23. Matte black elements on the front panel, steam nozzle, and drip tray add puristic design accents.

Limited to 1,970 units, this edition is fitted with a small metal plaque carrying an individual limited edition number.

The compact automatic coffee machine features an integrated coffee grinder that prepares each cup from freshly ground beans. Six beverage programmes, individually adjustable coffee strength and a powerful steam and hot water nozzle allow you to prepare coffee like a professional. Cleaning and operation are intuitive – for maximum functionality in a small space. A real statement piece.

Integrated coffee grinder.

Intuitive one-button operation – coffee at the touch of a button.
