Product description

A vehicle, a legend, a myth, an attitude to life – the 911. The 911 is the ultimate sports car, a classic in its concentrated, pure form. Ferry Porsche aptly described the masterpiece as "the only car that takes you from an African safari to Le Mans, then to the theatre and then onto the streets of New York." The new Porsche calendar shows the versatility of the car with the legendary curves under the motto "Daily Thrill. Since 1963": Whether as a coupé, cabriolet, Targa, Carrera, Turbo or GT3; whether as a road vehicle or on the race track — this calendar captures the diversity and variety of the iconic 911 over six decades and eight generations, fulfilling the dreams of numerous sports car enthusiasts since 1963.
