## Product description

Experience the thrill of racing style with the Porsche Wash Bag from the MARTINI RACING® Collection, inspired by the iconic Porsche 936 Spyder. This wash bag is not only a nod to classic motorsport aesthetics but also a practical companion for your daily routines or travel needs. Crafted from durable nylon, the bag features a water-repellent exterior ensuring your belongings stay dry and protected. The design incorporates a robust, reinforced base that further enhances its water-resistant properties, making it ideal for various environments. The bag's layout is thoughtfully designed to maximize organization and storage. It includes one main compartment complemented by an integrated mesh compartment, perfect for items you need to access quickly. Additionally, two side compartments with secure zip closures provide extra space for organizing toiletries and other essentials.

A unique feature of this wash bag is the separate wet compartment, designed to store damp or soiled items away from clean ones, promoting hygiene and ease of use. The bag also boasts a convenient carrying strap and an integrated hook, which allows for easy transport and the ability to hang the bag, keeping it accessible and off wet surfaces. Aesthetic details include the Porsche and MARTINI RACING® logos prominently displayed on the front, celebrating the heritage and spirit of racing. The zip pullers are adorned with a characteristic stripe pattern, adding a touch of sporty elegance to the overall design. Dimensions of the wash bag are 90 mm x 250 mm x 150 mm, providing ample space while remaining compact enough for easy handling. Both the shell and lining are made of 100% polyester, ensuring durability and ease of maintenance.

Whether you're a motorsport enthusiast or simply appreciate well-designed travel accessories, the Porsche Wash Bag - MARTINI RACING combines functionality with iconic style, making it an excellent choice for personal use or as a special gift.
