Product description

This high-quality auxiliary headlight/indicator light for the Porsche Panamera G2/971.2 Turbo is specially designed for the right side of the vehicle. It is an original Porsche part with the OEM number 971953042BB. This product is new, unused and undamaged, ensuring its high quality and reliability.

The auxiliary headlight/indicator light is an essential component for the safety and functionality of your Porsche Panamera. It improves the visibility of the vehicle and thus contributes to safety at night or in poor visibility conditions. The integration of the indicator light also increases the warning effect when changing direction, which further enhances road safety.

This spare part is specifically designed for the Porsche Panamera model series G2/971.2, ensuring a perfect fit and easy installation. The use of original parts such as this ensures that the vehicle's performance and integrity are maintained.

In summary, this additional headlight/indicator light is an excellent choice for owners of a Porsche Panamera G2/971.2 Turbo who value safety, quality and originality.
